Scoring

Due to covid 19 there will be no score boards available. All scores will be live and available on www.eventingscores.co.uk

Multiple Entries

This event was massively over-subscribed in the past few years. In order that as many competitors as possible are given the chance to compete, riders will be restricted to a maximum of *three entries each and only two per class. Should space be available after entries have closed and there is no waitlist then riders will be permitted additional entries on top of their limited three entries.* Past experience has shown that the Novice sections fill up well ahead of the Open sections. All entries are taken on a purely first come, first served basis, so competitors are advised to send their entries in early.

Location - The entrance for the Event for *ALL* officials, competitors and spectators is off the A619 Worksop Road. Competitors from the M1 should leave at Junction 30. Sat Nav postcode is S43 4TA
