

# NORTHERN SHOW 2020

Entries are now open for the **Northern Show 2020 at Northallerton EC 6-8 November 2020** and will run under the latest Coronavirus Restrictions for BD Events.

For the BD schedule including all levels, Music, Rider Tests and PARA Qualifiers [Click here](#)  
For the Special Short Arena Schedule for Club Members, including Short Arena Championships at Intro, Prelim and Novice, plus a team championship [Click here](#)

In addition to our amazing Regional Sponsors Sue Carson Saddles Ltd, Sheepgate Tack and Togs, GB Bodybuilders (Horseboxes), McCarron's Equine & Rural and Hird and Partners Sheffield Equine Clinic we have secured support from some of your favourite Northern Equestrian Businesses to bring you an opportunity on the weekend itself to contest our Northern Championship.

The show will run as an open BD Competition under current restrictions and over the weekend you can choose to:

- Compete in BD tests and collect points for your Winter Regional or Winter Area Festival Qualification from Prelim to Inter 1. Inter II and GP Classes.
- The Grand Prix Championships are also extended to H/C combinations riding for training
- Quest has finished, but we have added a Short Arena Championship on Saturday. Unaffiliated, but running under BD Quest Rules. Teams to have been registered as Northern this season.
- Compete in Music Classes (Winter Qualifiers Silver & Gold)
- Compete in PARA Winter Qualifiers
- Compete in BD Youth Rider Tests at the level you were last formally assessed or in your age group categories

AND

**If you are a BD Member and are a Northern Member**, ride the tests at the level (as set out in the schedule) you will automatically contest on the day our Fun Northern Championship to win premium rosettes and a sash and trophy for the winner across all of the sections. Within guidelines we will have a socially distanced presentation.

**(Please note, this Championship is not connected to Winter Regional/National Qualification and no additional entries are required - If you are eligible and compete in the classes required you are automatically entered)**

A few pointers 😊😊

- This is an open BD affiliated Show with Qualifiers and Points to be gained
- The Championships are an addition, with no extra entries, riding etc. provided you compete in the correct classes where it is a combination of two and you are a Northern Region Member
- So, you either live in the Northern Region or you have ridden on teams for Northern and have previously declared you wish to remain (Leicestershire members)
- Rider Tests - Last formally assessed squad level or age groups D (up to the calendar year of 11th Birthday), C (up to the calendar year of 14th Birthday) C+ anyone over up to the calendar year of 25th birthday.
- The short Arena Competition is under 2020 Quest rules with special rosettes for the highest placed under 21 individually in the overall Championship. You must be eligible and for teams (Open and Under 21) must have been registered as a team with BD in 2020. Results won't appear on your records as QUEST has finished for the year – this is a BONUS event and as an Individual a great reason to get your Club Membership for you and your horse.
- A rosette first the highest placed BD Youth Rider in each Championship
- The Grand Prix Championships are open to riders who are new at this level and wish to compete H/C.
- We are spread over the three days to be fully compliant with the current restrictions. Plenty of space, parking and warm up to do this.
- Test Sheets including the Rider Tests (check the number on the schedule) available: [Click here](#)
