The Pleasure Rides will start and finish at Thornton Lodge Farm - either a long route (11 miles) or a short route (6 miles) that follows local bridleways, farm tracks and minimal roads. There will also be some optional jumps available and a map given to each rider before you start. On the long route there will be refreshments available at half way!

Start times between 9:00am and 11:00am.

Pleasure Riders: Junior entries must be accompanied either by a paid Adult entry or an Adult on foot. Please note that some of the terrain is not suitable for the accompanying adult to be on a bicycle.

Please select a starting window when entering and please ensure you are on site and away before the end of that slot to allow for a smoother running ride for those departing before or after you.

The Treasure Hunt will take place entirely around the Farm and be off road. Entrants can be on lead rein. A Quiz Sheet will be issued to each competitor with clues to follow and answers to find. Points will be awarded for each correct answer and the person with the most points will be deemed the Winner.
