Class 9 - Maximum height of fences 60cm.

Class 10 - Puissance . Riders of any age.

RULES

Height Classes (Classes 1, 2, 3, 6, 7 & 9)

The course consists of 6 numbered jumps. If you have a clear round (no poles down, falls* or refusals), you continue on to the jump off course of 4 fences which will be timed from take-off at the first fence and landing on the 4th fence. Penalties will be given as 4 points for a refusal, fall* or refusal. The fastest clear over the jump off course is the winner.

Pairs Relay (Classes 4 & 8)

First rider is to start in the box and set off and jump the course and then return to the box. Second rider may not start until the first competitor has stepped in to the box. Second rider is to jump the course and then return to the box. Timing starts when first rider leaves the box and second rider returns to the box. A 3 second penalty will be given if second rider leaves the box before first rider has returned. Penalties will be given as 4 points for a refusal, fall* or refusal. The fastest clear over the jump off course is the winner.

Puissance Classes (Classes 5 & 10)

Competitors take it in turn to jump the 'high jump'. You must clear the jump to continue to the next round, where the height of the jump will be increased. The winner is the person to clear the highest height.

IMPORTANT

Please be aware that whilst every effort will be made to ensure the safety of the competitors, Appleton Grange EC will not accept responsibility for any injuries. It is the responsibility of the payee to ensure that the competitor is capable of jumping the height of the jumps. All competitors (or their guardians if under 18 years of age) will be asked to sign a disclaimer before taking part. We strongly recommend that competitors wear suitable footwear and helmets when taking part.

*If a rider falls and impacts their head they will be eliminated for health and safety reasons.
