EXPLANATION OF THE STARS CHAMPIONSHIP

The STARS championships will be held from the 19th to 22nd November 2026 at Aintree Racecourse. 60 clubs have affiliated to the 2026 championships, including Appleton Grange Riding Club (AGRC). Each of the clubs will take a team to compete at the championships. Therefore, making for a fantastic atmosphere as not only are you competing for yourself, but you are there as part of a team. Ahead of the event, we will set up a group for our Championship team members with tips and advice to help you with your preparation and turnout, answer any questions and be there to cheer one another on at the big event.

HOW TO QUALIFY FOR STARS CHAMPIONSHIPS

AGRC are planning to hold 6 Working Hunter shows ahead of the championships. These shows are open to all, including non-members and those not looking to qualify for STARS. However, if you wish to be in with of chance of qualifying for the STARS championships, you must be a member of the Appleton Grange Riding Club.

At each of our AGRC classes, points will be awarded to those placed in the top 6 as follows:

1 st place – 8 points	2 nd place – 7 points	3 rd place – 6 points	
4 th place – 5 points	5 th place – 4 points	6 th place – 3 points	7 th place and lower – 1 point

The horse and rider combination with the top 4 highest points out of the 6 shows and who are also eligible (see table below), will be invited to represent Appleton Grange Riding Club at the STARS championships. If this combination is unable to go, the place will be offered to the next highest points scorer. In the event of a tie, the combination with the highest placing will qualify. If the placings are the same, both will qualify.

The results and league table will be published on Horsevents.co.uk following each show.

You may qualify for more than one class, except Lead Rein and Cradles Stakes combinations may not compete in any other class. **To clarify for the AGRC classes there are no restrictions, you can enter which ever classes you like, the eligibility rules only apply to the STARS championship.**

The right-hand side of the table below shows the Working Hunter classes that will be held at the STARS championships in November and describes the eligibility and maximum height of the jumps. The maximum

height is only for 2 fences per course and not every jump. The left-hand side of the table shows the corresponding classes that will be run during the AGRC show series. So, for example if your child is off the lead rein, under 10 and riding a pony not exceeding 128cm and wishes to try to qualify for STARS they should enter our 45cm Working Hunter class. Should they gain the top 4 highest points across the series, they will be invited to represent AGRC at the STARS championship in the Cradles Stakes WHP class. You can of course also enter other classes but will only gain points towards qualification for STARS where eligible.
