### 49<sup>th</sup> PRESENTATION EVENING

### After presenting the Class Championship Trophies and Rosettes these trophies will be awarded

To be in with a chance, all you have to do is compete in as many <u>RIDDEN</u> and <u>IN HAND</u> classes as possible this year.

#### THE SUGAR PLUM MEMORIAL TROPHY

will be awarded to the **junior rider** who has entered the most **ridden** classes during the season with the same horse/pony. Sorry but entries in any Clear Round Jumping will not be counted. This trophy was initially presented in 2013 to commemorate the loss of Carol Dawson's dog - **Sugar Plum** (who was accidentally kicked by her horse and killed). This Trophy is a reminder of the potential dangers of loose dogs around horses.

#### THE SENIOR RIDDEN POINTS TROPHY

will be awarded to the **senior rider** who has entered the most **Ridden** classes during this season with the same horse/pony. Same ruling as for the Sugar Plum Memorial Trophy – entries in any Clear Round Jumping classes will **not** be counted.

#### THE IN-HAND JUNIOR and SENIOR HANDLER TROPHIES

will be awarded to the **Junior** and **Senior handler** who have entered the most **In-Hand** classes (with the same horse/pony) during this season.

### THE FOLLOWING TROPHIES WILL ALSO BE AWARDED

### THE LOUIE LAMBERT TROPHY

will be awarded to the most improved Lead Rein Rider

### THE MRS BARBARA SUTHERLAND TROPHY

will be awarded to the **most improved rider of the year**, chosen by the Committee

### THE ENDEAVOUR TROPHY

will be awarded to **a member** who has shown tremendous effort and determination throughout the season, chosen by the Committee

### THE BISCUIT MEMORIAL TROPHY

Given by Barbara Montford, to be awarded to A Horse or Pony of Special Merit

### THE ROSEMARY TROPHY

will be awarded to **someone** who has gone above and beyond during the season

### THE DAVID KEMPLAY HERITAGE TROPHIES

will be awarded to a grandparent and **member** grandchild where the knowledge of the equine world is passed down through their family

### STARS Champion of Champions 21<sup>st</sup> – 24<sup>th</sup> November 2024 Rules and Conditions of Qualification and Entry

RULE 1a Qualification will be taken from points accrued over the season which give rise to your champion, reserve champion, and 2<sup>nd</sup> reserve champion. Each club MUST offer the option of representing their club to each class champion. Should they be unable to attend you may pass down to the reserve champion and 2<sup>nd</sup> reserve champion. Each club is allowed to send 1 competitor for each class. If you have 2 competitors with equal marks, then both can enter IF we have capacity, please check with STARS. If we can't accommodate both entries it will be determined by the competitor that attended the most points shows. If they both attended the same amount, then send the one that won the most first places.

RULE 1b Show dates must run between March and September 2024.

RULE 1c No points shows can be held after 17<sup>th</sup> September 2024.

**RULE 1d** Entries for STARS will open on 18<sup>th</sup> September and close on 2<sup>nd</sup> October 2024.

RULE 2a All RC's must hold a minimum of 4 points shows in 2024.

RULE 2b All competitors must attend a minimum of 2 points shows.

In addition to the above rules, we have noticed that many RC's run a non-points trophy show mid-season, can we ask if possible that your trophy shows be held in September so that all show secretaries have plenty of time to invite their competitors to represent them at STARS, this also enables each competitor to know if they have qualified when entries and stabling opens on 18<sup>th</sup> September.

RULE 3 Any competitor may compete in more than 1 class at STARS providing they meet the criteria for each class. Each competitor can represent as many RCs as they want.

RULE 4 Competitors must be current members of each club/clubs they represent.

RULE 5 It is a condition of affiliation that all RC secretaries keep records of their points for each class and a running points total sheet must be available at each show or online throughout the season, for competitors and STARS admin. At STARS Final these sheets need to be always available.

**RULE 6** No change of combination of horse/pony/rider is permitted from that which qualified through their club. The leader of a LR pony may be substituted under exceptional circumstances arise with permission from STARS.

RULE 7a No horse or pony, rider/handler can compete at STARS if they have qualified HOYS in any class including search for a star in 2024 or 2023.

Horses and ponies that qualified for HOYS in 2022 are eligible provided they were not placed. Search For a Star placings are allowed.

**RULE 7b** Riders/handlers cannot have ridden/led any animal at HOYS in 2024, riding/leading any other year is permitted.

RULE 8 No horse or pony that has been placed in the top 5 at the RIHS in current year can compete at STARS. Riders can complete on a different horse or pony.

**RULE 9a** No professional producers can compete at STARS, or any horse or pony that is in, or has been in production from 1<sup>st</sup> March 2024. The definition of a professional producer is as follows: The horse or pony is kept at a producer's yard on show production or for any other reason including being broken, holiday livery etc. The horse or pony is prepared for a show, bathed, plaited, etc, horse or pony has been taken to a show. Horse or pony has been worked in or tuition given to owner/rider at a show. Horse or pony stripped, or assistance given in the ring. If any of the above applies to your horse, then they are not eligible to come to STARS.

We do allow full livery on a professional yard provided it is NOT a showing yard. We understand some people work long hours and need full livery inc. Exercise, however, no-show production of any kind is allowed.

**RULE 9b** Semi Professionals, any competitor that shows 2 or more animals for other people regardless if you take payment for your services or not, we class you as a semi-professional. Semi-professionals are not eligible to compete at STARS. We do not mind how many horses or ponies you show if they belong to you, and we do not want to stop friends from helping each other but it cannot be more than 1 friend.

RULE 9c No competitor can have shown a horse or pony that belongs or is produced by a professional producer at any show in 2024.

STARS was created for the home-produced, amateurs and true-grassroots competitors. We ask people to take this rule in the spirit intended and we will disqualify anyone who we feel is bending the rules. If we feel any situation is a grey area and not fully covered by our rules, then each case will be determined by STARS and our decision will be final.

**RULE 10a** Complaints procedure: Anyone who wishes to make a complaint must be a fully paid-up member of an affiliated RC or a secretary of an affiliated RC.

RULE 10b Any complaints made prior to STARS must be done via email to STARS admin. If we feel the complaint needs a full investigation, we will then ask for a £50 administration fee to be paid.

RULE 10c Any complaints made at STARS must be done within 1 hour of the alleged complaint.

**RULE 10d** Any one needing to complain can go to our Help Desk or go to the marquee and ask for the official dealing with complaints. The complaint must be accompanied by £50 and given in person to the correct official who will be dealing with the complaint. If the complaint is upheld the money will be returned if not, it will be donated to a horse charity of our choice.

Keeping horses fit and active in their later years is highly beneficial for all-round health and well-being. A veteran horse's diet must reflect their energy requirements for maintaining weight and providing fuel for work, whether that be light hacking or competing regularly. Veteran Light is ideal for those that are prone to laminitis or hold their weight well. Veteran Vitality provides extra calories for those that need more energy or struggle to maintain their weight.

# • David Mitchell Equine •

We are a family run business with over 70 years experience in the disposal and cremation of horses and ponies. We operate within the Yorkshire and Lancashire region and all cremations are carried out at our own purpose built crematorium.

David was the third generation of Mitchells to continue offering this service to horse owners and vets. He was the former owner of Miles Mitchell & Son of Thornton, until the late 1990's when the present business was formed, dedicated to equines. David sadly passed away in 2012. The business was initially continued by his daughter Liz and wife Mary. In 2014 his middle daughter Catherine joined the business and now her son Joshua, has continued the family tradition.

Our team at David Mitchell Equine are animal owners and understand the huge loss that you feel when an animal passes away. We are dedicated to providing a professional and friendly service throughout this tough time.

Simple Disposal
Individual Equine Cremation
Individual Equine Cremation & Casket

We are here to offer you compassionate, discreet and reliable service at a very sad time, 7 days a week, 24 hours a day

We have added some of the kind comments to us, in the course of our work and we hope that they will reassure you of the same commitment to providing the best for your equine friend.

"I just want to thank Mitchells for a very efficient service in taking care of Fred's remains for me. They brought him back home yesterday and made a hard job a little bit easier. He is now going to be scattered in the paddock where he grew up back at his breeders. Thank you." Paul

"Thank you so much for the respectful, caring and dignified way in which you treated both my beautiful Martha and a heartbroken me. There was some comfort in knowing that Catherine who I spoke with had collected Martha from Rainbow Vets and brought her ashes home to me. The ribbon and rose on her ashes were much appreciated as was the way you called Martha by her name and not just 'the ashes'. Thank you for making the most horrendous of times a little easier." Trisha
