The Compassionate Equestrian™ Coach

Combining over 20 years professional equine industry experience with the methods of The Compassionate Equestrian™, I offer a sympathetic and holistic approach to coaching.

Designed to create a deeper, richer level of understanding between horse and rider, and with compassion at the heart of what I do, my holistic way of working helps you achieve your goals and make the progress you want at a pace you and your horse are comfortable with.

I offer a complementary horse and rider assessment with your first booking enabling me to fully evaluate you both. From there, I work with you to develop a programme of 1:1 or clinic based training.

I'm based in South Leicestershire and able to travel within a 30 mile radius, so whether you're 7 or 70, get in touch and find out more.
