

TIMINGS - SPOOKTACULAR HALLOWEEN SHOWCROSS - 1ST NOVEMBER 2020

On arrival to site, you will be greeted and your contact information taken. Trailers will be directed to park on grass and wagons will be on hardstanding, where possible. Once parked, you do not need to sign in. Please warm up (only using the indoor warm arena up a maximum of 16 minutes before your competing time) and then present at the main arena as the previous competitor enters.

All over 16s are kindly requested to scan our venue QR code with their NHS Contact Tracing app.

The dress code is cross country wear with Halloween/spooky fancy dress encouraged - we have prizes for the best dressed!

The course walk for classes 1-3 will feature an opportunity for competitors to collect Halloween sweets as they make their way around the course.

We are kindly asking competitors to leave site promptly upon conclusion of their classes, but hope you will be able to fit in a trip to our café between classes! The Little Fizz and Nibble Company will be onsite serving a range of delicious food including their new pizzas served out of a wood-fired oven - we know how good they are and recommend you come hungry!

To limit the number of individuals on site, grooms and spectators are limited to one per horse.

All individuals (aside from those normally exempt in government rules) are politely requested to wear a face covering onsite unless mounted (this excludes the area around your own vehicles).

Good hygiene and social distancing from anyone not within their household/support bubble must be practised throughout please.

We really appreciate your support for our competitions and cooperation with these measures, in place to ensure everyone's safety - we very much hope that the showcross will be a wonderful, and safe, day for all!

Class No	Class Title	Time	Rider Name	Horse Name
Clear Round from 07:30 finishing 08:30 sharp. Early declaration advised. £5 cash on the day.				
Course Change and Walk with 'Treat Hunt' from 08:35-08:50
